In re Application of
Alphons A.M.L. Bruekers
Application No. 10/626,427
Filed: July 24, 2003
Attorney Docket No. PHN 16.194R

ON PETITION

This is a decision in response to the petition, filed April 18, 2008, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The application became abandoned for a failure to reply in a timely manner to a non-final Office action mailed May 2, 2006, which set a shortened statutory period for reply of three (3) months. No extension of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the application became abandoned on August 3, 2006. A Notice of Abandonment was mailed on March 4, 2008. In response, on April 18, 2008, the present petition was filed.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of Dicran Halajian appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party on whose behalf he acts. While a courtesy copy of this decision is being mailed Mr. Halajian, all future correspondence will be directed solely to the address of record.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of amendment; (2) the petition fee of \$1,540; and (3) an adequate statement of unintentional delay¹.

The application is being referred to Technology Center AU 2611 for appropriate action by the Examiner in the normal course of business on the reply received April 18, 2008.

¹ 37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. While the statement is not made by an attorney of record, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.

A handwritten signature in black ink, appearing to read "Sherry D. Brinkley", is written over the typed name and title.
